MAYOR'S MESSAGE

We are thrilled to share the wonderful success of this year's Easter Egg Hunt, and we could not be more grateful to the incredible teams that made it happen! Thanks to the hard work of our Parks Department, led by Bryan Fife, and the enthusiastic support of the Harrisville City Youth Council, with guidance from Advisor Elisabeth Hansen, the event was nothing short of amazing.

We were blessed with a beautiful spring day and welcomed a record number of participants — not only from Harrisville but also from surrounding communities. It was heartwarming to see so many families and children gathering to enjoy the festivities.

This year's event featured over 9,000 Easter eggs hidden for the hunt. Clear signage marking the age groups and designated hunt times made it easy for everyone to find their place, and it was something our attendees truly appreciated. The organization and attention to detail helped create a smooth, fun, and memorable experience for all involved.

We would also like to extend a special thank you to Rocky Mountain Power for their generous sponsorship of this event. Their support helped make the day even more special, and we are so grateful for their investment in our community.

Events like the Easter Egg Hunt remind us what makes Harrisville such a wonderful place to live — our spirit of community, our hardworking volunteers, and the partnerships that bring us together.

Thank you again to everyone who contributed their time, energy, and resources to this year's unforgettable event!

Mayor of Harrisville

HAVE YOU HEARD?

The Harrisville Police Department collected 84 pounds of unwanted and unused prescriptions at the DEA Prescription Take Back day. Thank you to the Harrisville Walmart and the community for your support in the success of this event. If you missed this event, do not fret. There is a prescription drop off box in the City Hall lobby for your convenience.

The City Council invites you to check out the new city website at <https://harrisvillecity.gov/>.

The City Council held an open house on the proposed Public Safety building. Many residents came and asked their questions on this and the potential growth of the city. If you were unable to attend, visit the new city website at <https://harrisvillepolice.com/publicsafety-building/>.

Pineview Water Systems has begun installation of secondary water meters. If you have any questions or concerns about the installation, call them directly at 801-621-6555. These meters will have a pink box lid.

YOUTH CITY COUNCIL

The Harrisville City Youth City Council have had a busy spring so far beginning with Utah State University Youth City Council leadership training where the youth participated in workshops and listened to keynote speakers. They learned about networking, goal setting, stepping up as leaders, and how to be resilient in hard situations.

They also participated in the Harrisville Easter Egg Hunt where the youth dispersed 9000 Easter eggs and Safe Kids Day where our youth volunteered at some of the sponsor booths. Some even dressed up!

If interested in joining the Harrisville Youth City Council, visit <https://harrisvillecity.gov/youth-city-council/> to apply today!
