Planning & Zoning

In the event that an applicant fails to fully pay any development fees prescribed in this part, fails to complete a development where the city has incurred costs in excess of the fees actually paid by applicant, or the costs incurred by the city relating to applicant exceed the fees collected in this part, developer shall reimburse the city the actual costs incurred by the city within 30 days from the date of invoice by the city. In addition to other remedies, failure to pay development fees may result in a certificate of non-compliance being issued and recorded by the city on the applicable development.
