MAYOR'S MESSAGE

A Fond Farewell and a Look Back: Eight Years of Service Together

Dear Harrisville Residents,

As December arrives and we close out another year, this month also marks the closure of my eight years serving as your mayor. It has been one of the greatest honors of my life to represent this community, work alongside our dedicated staff, and collaborate with our City Council to strengthen Harrisville's future.

In this final newsletter, I want to highlight (listed in no particular order) some of the accomplishments we achieved together as a city. These successes belong to all of us. They reflect teamwork, perseverance, and a shared commitment to making Harrisville a place we are proud to call home. Here is a look back at what we've accomplished together.

Public Safety & Staff Stability

We have strengthened stability across all city departments, including police, parks and recreation, and public works staff; expanded training opportunities for both Police and Public Works; launched the drone program to enhance public safety and emergency response; secured over \$1 million in public safety grants to support police operations, equipment, and community programs; and supported the transition to paramedic-level service at North View Fire District.

City Planning & Infrastructure

Together we achieved approval of our FEMA Emergency Management Plan, strengthening our preparedness; secured federal road funding, along with RAMP grants for playgrounds and recreation improvements; began major partnerships with GOEO Utah and Weber County to further economic and community development; completed the construction of our new Public Works Building, built for longevity and future growth; initiated early planning for the new Public Safety & Administration Building, now moving forward.

Community Programs & Events

Our community helped us create the beloved Fall Festival, now a cherished annual tradition; found the Giving Tree Program, which

Regional Leadership & Partnerships

Through our participation we have continued building relationships and partnerships with community organizations such as Communities that Care (CTC) and Tri-City Exchange.

While serving as mayor I had the privilege of representing Harrisville on countywide boards including:

- WACOG (Weber Area Council of Governments)
- Housing Subcommittee
- Transportation Subcommittee
- Served as Chair of the Personnel Committee for the Central Weber Sewer District Board.
- Served as Vice Chair and Chair of the Bona Vista Water District Board.

Financial Health & Recognition

Additionally, we balanced the city budget each year while planning responsibly for the future and earned the Healthy Utah Community Award, recognizing our commitment to employee wellness and organizational health.

A Legacy of Partnership

Every accomplishment listed above happened because this community works together; from our city staff and council members to our regional partners and residents who show up, volunteer, support, and care.

Harrisville is strong because its people are strong.

My Final Note to You

Serving as the mayor of Harrisville has been one of the greatest privileges of my life. I am deeply grateful for your trust, your support, and your willingness to work alongside me to build a better future for our city.

Though my tenure as mayor is coming to a close, my love for this community remains constant. I look forward to watching Harrisville continue to grow, thrive, and carry forward the momentum we built together.

Thank you for eight unforgettable years.

Thank you for the privilege of serving you.

Warmest regards,
Mayor Michelle Tait
