## MAYOR'S MESSAGE

I hope this message finds the people of Harrisville well. As I begin my service to the citizens of Harrisville, I would like to share a brief update on the work that has taken place so far.

I have met with the City Administrator, Police Chief, and Public Works Director, and I am pleased to report that they have been very supportive and are committed to serving the citizens of Harrisville. The new city building is well underway, and I will continue to follow the construction process closely. My goal is to manage costs responsibly while ensuring we provide the city with a quality facility that will serve our community for many years to come.

During our first City Council meeting, we moved the public comment period to the beginning of the meeting. From my perspective, this was a positive change, and I hope those who shared comments felt valued and heard. We also established a Community Activities Committee, which will be led by Jason Hadley. If you are interested in helping with community activities, please contact the city office, and they will assist you in getting involved.

We are currently working on the budget for the upcoming year. I am committed to controlling spending while ensuring that we continue to fund projects that provide safety and value for our citizens.

February also brings Valentine's Day, a holiday that dates back to ancient Rome and has come to symbolize kindness, friendship, and love. While today it is often associated with cards and flowers, its deeper meaning reminds us to take time to recognize and appreciate those we love: our families, friends, neighbors, and all who help make Harrisville a strong and caring community.

Finally, during the election, some issues were raised that reflected only one side of a story. As we move forward, it is important to remember that there are often two sides to every issue, and we should avoid passing judgment before all the facts are known. While I am unable to comment on specific matters, please know that I will always strive to consider all perspectives.

Harrisville City Monthly

by calling the City Offices 801-782-4100.

Remember to bring a friend!

## HAVE YOU HEARD?

The Harrisville Police Department has been busy these past months with lots of change. The first to mention is the retirement of Dennis Moore, Assistant Chief of Police. Officer Moore took his last call on January 15, 2026. We wish him the best of luck with his future endeavors. With his retirement, a promotion was granted to Nick Taylor, Assistant Chief of Police in December 2025. We wish him the best of luck in his new position.

The Harrisville Police Department has also received a new employee. Welcome Officer VanBeekum! We are thrilled to have you as part of the team.

We also have many congratulations to extend. First, congratulations to Chief Wilson and Detective Keller who were honored with their 2025 Weber Fraternal Order of Police Awards in our last City Council meeting. Mayor Shuman presented the awards, recognizing Chief Wilson as Administrator of the Year and Detective Keller as Officer of the Year for the Harrisville Police Department. Also, congratulations to Sergeant Fowers for his recent promotion.

If you would like to extend your own congratulations to any of these mentioned or to any member of the Harrisville Police Department, check out their Facebook page.

## MAYOR'S MESSAGE (continued)

I look forward to serving the citizens of Harrisville and working together to move our community forward. Thank you for your continued support and involvement in our community.

Roger Shuman  
Mayor  
City of Harrisville

## UPCOMING EVENTS

**Harrisville City  
YOUTH BASEBALL,  
SOFTBALL, & T- BALL  
Registrations are**

**March 1 - March 31**

More information on how to register can be found at  
<https://harrisvillecity.gov/recreation-opportunities/>.

## GET HEALTHY UTAH DESIGNATION

It is time for Harrisville City to redesignate for the Get Healthy Utah Designation. This designation shows the commitment the Mayor and City Council have to promote the well-being and mental health of our residents. There are three categories in which this is accomplished; Acting Living, Access to Healthy Food, and Mental Health. The Harrisville Community Action Committee are looking for residents who would like to join our team. If you are interested, please contact the city offices at 801-782-4100.
