MAYOR'S MESSAGE

I would like to express my sincere gratitude to Mayor Tait and Councilmembers Jackson and Weiss for their dedicated service to our community. I hope this message finds our citizens well after the holiday season, and I wish you all a happy and prosperous New Year.

I am honored and excited to begin my service as Mayor of Harrisville. I am committed to strengthening communication between city leadership and our residents. As part of this effort, I will be restructuring our meeting agendas to better hear and respond to the voices of the people.

Recently, I had the opportunity to meet with the mayors throughout Weber County. We discussed shared challenges facing our cities and exchanged ideas on improving communication and community engagement.

In the coming months, I will be establishing community committees to provide additional opportunities for residents to be involved and have a direct impact on our city. Information about these committees will be shared soon, and I encourage everyone to consider participating. One of the first committees will focus on planning a city festival this year, and we look forward to working together to create a great community event.

Thank you for your continued support, involvement, and trust. Together, we can build a strong, connected, and vibrant Harrisville that reflects the values and voices of our community.

Roger Shuman
Mayor
City of Harrisville

THANK YOU

Thank you to all who helped with donations to the Shop with a Hero program and the Giving Tree. The city would not be able to hold such events without your support and generosity. The Shop with a Hero program helped 20 children and their families. The Giving Tree provided Christmas for 7 families.
